„IT IS TRUE!
THE LORD HAS
RISEN...“

Luke 24:34

- **Dr. Friedhelm Jung:** The resurrection of Christ is the reason and cause that I will be resurrected and live forever with Christ in heaven.
- **Esther Penner:** With Easter came the dawn of the kingdom of God, and through the grace of God I get to be a part of it. My life has direction today and in the future.
- **Dr. Jim & Evelyn Anderson:** It gives me the security of everlasting life with Jesus and with my family. It give this earthly life purpose and meaning.
- **Eduard Friesen:** ...because it is evidence that death is not the end and that Jesus is right in all that He said about the afterlife.
- **Andy & Amy Wiebe:** ... because the hope of a fulfilled life on earth and also in eternity with Jesus Christ is not popped like a bubble! (Romans 5:5)
- **Johannes Dyck:** The events that took place at Easter are the basis for the life in Christ today and the life by and with Him in eternity.
- **Dr. Cleon Rogers:** ... because I have new life in Christ.
- **Günther Schulz:** Good Friday and Easter is the story of the great exchange, or as Martin Luther said, „From joyful exchange“. Jesus took everything upon Himself, what I have earned: punishment, the wrath of God and judgment. I receive everything from Him, which I would never be able to earn: Salvation, peace with God, a new life.
- **Ralf Schowalter:** ... because through the resurrection of Jesus Christ I can go through life with a good conscience... (1 Peter 3:21)
- **Dr. Helmuth Pehlke:** Easter is important for me because my Lord is resurrected and lives. I pray to a living Lord!
- **Dr. Heinrich Derksen:** The Christian faith stands or falls depending on the faith in the resurrected Christ. The one who knows the Easter message has no need to fear!

WHY IS EASTER IMPORTANT FOR YOU?

ANSWERS *FROM BSB PROFESSORS...*

Dear Friends of
Bibel Seminary Bonn!

„True Shaping Education!“ Day by day we experience that these words are not only a motto for the work of the seminary, but a graspable truth. God shapes and changes us as professors and students through His infallible and powerful Word, equipping us to serve Christ in the church.

As one who prays and gives, you are an important part of this impactful work! We thank you and your churches for the faithful support. Through your ministry, we are able to educate and prepare future church-planters, missionaries, preachers, pastors, children’s and youth leaders, and many volunteer workers for fruit-bringing service in churches and the missions field. We wish you God’s blessings and thank you for your regular prayers for our school’s leadership, the professors and the students!

Your Dr. Heinrich Derksen, President
